Subject: Reassignment Opportunity - Conroe, Texas
Date: Thursday, April 19, 2018 6:19:31 PM

Fellow judges,

Due to special circumstances, we are asking if any IJ is interested in moving to our new detained docket court in Conroe, Texas. We will call this court the Montgomery Processing Center.

Because we have an immediate management need to cover this court, we will consider judges who would otherwise not be eligible to place their names on the reassignment register (for example, due to being on the bench fewer than 24 months or having been recently reassigned – see paragraph 13.4.6 of the collective bargaining agreement with NAIJ for other bars).

If you are interested, or would like to discuss it further, please reply to DCIJ Cheng and me by COB on 25 April 2018. As with all voluntary reassignments, the move would be at no cost to the government and while the effective date is open to discussion, our preference would be for it to happen sooner rather than later.

In addition, as a reminder you can sign up on the reassignment register for a court location at any time, there does not have to be an opening at the court when you add your name to the list.

Thank you!
